

# (The Power) To Set Me Free

Tim Jenks

**F** **C/E** **Dm**  
I've fallen from your grace from such a height

**Gm** **Gm/F#** **C7/E**  
And from the power that pulled me down I couldn't fight

**F** **C/E** **Dm**  
But a line has been thrown down to rescue me

**Bb** **C** **Dm (F)**  
And pulled me up from bondage into liberty x2- (C)

Very often I have tried to run and hide  
And talking to myself I've often lied  
But up a head the door keeps opening for me  
The other side on which there's light eternally

**Bb** **C** **F**  
Yes I've heard the promise that's been made to me

**Bb** **C** **F** **F7**  
And I know that he's the power to set me free

**Bb** **C** **F** **E** **D** **C**  
No need to worry about the way – I feel inside of me

**Bb** **C** **Dm (F)**  
For his promise is the power that set me free x2

I'm saved by grace just the like the Bible shows  
Salvation's way the only way I ever chose  
But doubts and fears forever show up I can say  
I guess they'll haunt me now and then along the way

But I've heard.....(repeat chorus...)
